Conference At A Glance

The world grabs your attention in so many ways, distracting you from God. Modern culture tells you one thing, but Jesus certainly tells you another. Knowing what Jesus says about how His disciples ought to live and understanding who we are as a Church, will certainly help us follow Christ and not popular culture.

The Call . The Cost . The Challenge

Come on a learning journey with Christ from our conference plenary speaker Stuart Briscoe and workshop speakers Alex Tang, Timothy Liu, Yam Keng Mun and Jill Briscoe. Rev Briscoe will walk you through the book of Matthew.

Give yourself the opportunity to make this a milestone in your spiritual learning journey!
